

LPA-GGV advises Qwello GmbH on a EUR 50,000,000 investment by Tiger Infrastructure Partners

THE TRANSACTION

Munich, 2 November 2021

LPA-GGV Munich has advised Qwello GmbH on an EUR 50,000,000 investment by Tiger Infrastructure Partners in the company.

Qwello is a Munich based, rapidly growing start-up focusing on development, construction and operation of easy-to-use e-charging infrastructure in major German and European cities. Qwello is already operating its self-developed, unique and user-friendly e-charging poles in Munich and Hamburg.

The investment by Tiger Infrastructure Partners will help Qwello to further expand its business and to deploy its e-charging infrastructure in other major European cities.

LPA-GGV Munich is excited to be part of Qwello's success story and to help accelerate decarbonization of Germany's and Europe's infrastructure and mobility.
